Join the Party, Celebrate Recovery!

We are blessed to live in a place with so many meetings and such strong recovery. Giving Thanks is a tradition for the Houston-Area SAA community to celebrate and express gratitude for this amazing gift.

Please join us for the 16th annual festive event for fun, food, fellowship, and gratitude.

WHY YOUR DONATION MATTERS

The International Service Organization of SAA (ISO) depends on proceeds from HGT and similar events held throughout the fellowship as a critical component of its annual revenue.

Your HGT donations are put to good use funding critical services to reach the addict who still suffers. A **top priority** is upgrade the SAA website meeting page to address search capabilities and ease of use on mobile devices. Your contribution also supports Prisoner, Women's and LGBT outreach. Your support makes these critical services possible!
